“ So sorry to hear of Audrey's passing. As a co-worker she was a very kind person and a talented and wonderful Nurse.

“ My heart is filled with sadness. I knew Audrey from the first day she was hired as a registered nurse at what is now Unity Point. Her joy for becoming a nurse was over the top! She actually “screamed” for joy! I shall never forget! She loved her work and was able to bring a smile to my face always! God’s Peace to her family!

“ I worked with Audrey for a brief time since coming to the Call Center at Unity Point. Audrey was encouraging, helpful, and always sweet. She reminded me of a Grandma for us nurses, even though she wasn't much older than me. She was the sweetest Lady I know and I will miss her. God Blessing her and her family during this time.

“ I have worked with Audrey for at least a couple years at UnityPoint Health/ MUPN/ UPC. She was also an active member with us in our virtual Workplace Impact Team. Audrey is the most knowledgeable, caring, compassionate, supportive nurse. Her heart knows no ends to the depths she would go for her family, friends, co-workers, and the patients she cared for. She's made a huge impact in my life, so positive in everything she does and so much energy. She's a dear friend, we chatted and talked often, and worked collaboratively for the benefit of our team members, patients, and leadership. It's very difficult to lose someone like Audrey. I'm sure God and all the angels welcomed her with open arms...I'm so sorry to hear of her loss...may we all

find peace and healing in her spirit, memories, and great sense of humor. My heart goes out to you and your families in this time of sadness and loss. God bless Audrey and her family and may she rest in peace! Amen.

“ From the day I started at My UnityPoint Nurse, Audrey's beautiful spirit and uplifting words became a daily reminder of her kindness. No matter how daunting the day, she always had a smile in her voice; her energy and passion seemed to know no bounds. Our shared birthday call on September 29ths were always filled with laughter and her sweet personality. She is missed so dearly. I pray for a peace that surpasses all understanding for you all during this difficult time.

“ I have worked at Methodist since 1981. Even though Audtey and I never worked in the same department, we were a team and family. I learned lots from her. In addition she took great care of my grandfather and my dad. She will be missed. Sharing your sorrow

“ We are deeply saddened by the passing of “Grandma” Audrey. She was very special to all of us. My sister and her children say they were extremely blessed to have lived right across the street for several years. Our memories span from birthday parties, to holiday Celebrations to working together and much much more for > 25 years. She was an amazing mother, Grandmother, nurse and Friend. She truly made a difference in the lives of others and for that we are extremely grateful. Rest In Peace Audrey. Love you always.

“ I worked with Audrey at the call center and she would occasionally call me and I always answered the phone with "Welcome to My Unity Point Nurse, Audrey Tharp, and how may I be of assistance?" She'd giggle and we would solve whatever her current concern was. Audrey was kind and smiling in her voice and I'll miss her phone calls. Audrey is a reminder that we just never know when will be the last time we interact with those we care about; my deepest condolences to her family and friends.

“ So very sorry for your loss of a great mother and grandmother!" Audrey was a phenomenal nurse and person. Her spirit, joy and compassion for life and helping others never failed. I have had the honor to meet Audrey early in my career at Methodist and then in her final work location of the My UnityPoint Nurse Call Center. She was an incredible team member reaching out to those who were on working to say hi and share a slice of encouragement and happiness. Audrey you will be missed by so many. I send a big virtual hug to you her family. Take Care and God Bless you!
