“ Mary Richter lit a candle in memory of Janice K. Paluska

Mary Richter - September 20, 2021 at 12:16 AM

“ “Paluska” was my pledge trainer in 1973. She scared me to death, until I had a heart-to-heart with her. I explained what I was feeling and she quickly told me I was special, I had potential to be a leader, and she wanted me to be my best. I often think of her words when I’m facing something that “scares” me.

The last time we had a chance to connect was at our dear friend’s memorial. She and I stayed up late talking about our lives and how we wanted them to follow through to the end. She revealed her love of God and belief in Heaven. Being surrounded by our loved ones and friends All outdoors, of course!

Thank you for your tough love, P.
See you in the Tract! I’ll always save a chair for you.

Sister love forever.

“ Jan AKA Paluska to your sisters in Chi Alpha Xi,
It seems only fitting that several of us were together when we learned of your passing. There were tears, but there was also the opportunity to share stories about our time with you. You were so loved, and we all definitely enjoyed your sense of humor, that unforgettable smile, that great chuckle, and the loyal and loving friend that you were. The last time many of us saw you was at the memorial of sister Julie Barry. We can only imagine your joy at being reunited. Thank you for those beautiful memories from our time with you at WIU! Godspeed, Jan. Love from your sisters,

“ Jan was the gatekeeper for several of us at Chi Alpha Xi. Through her guidance we became full fledged active members and sisters who still meet and stay connected years later. She left a fine legacy. Rest in happiness, Jan.

“ I was a driver at Lutheran Hillside Village and always enjoyed taking Jan on short trips around Peoria. Rarely did I ever see Jan without a big smile on her face. Jan was special -- my condolences to her family. Tom Pisano

“ Jan was a delightful neighbor. I wish I had joined her in pickleball as she had suggested! I remember when she called out of the blue to see if I could pick her up at the Indianapolis Airport-- and fortunately my retirement schedule made it possible. We had that kind of give and take relationship. I wish the last few years could have been easier for her.
We will always remember her with pleasure. Curtis and Susan Krock

“ Larry and family--my sincere condolences. I am so saddened to learn this. Jan and I were neighbors, friends and schoolmates from kindergarten thru high school. Many hours were spent riding bikes, staying over at each others houses growing up. I have many great memories of times spent with Jan .. having last seen her when my father passed away in 96 she was so kind to look me up at our office in Decatur, IL. I was hoping she might be at our 51st high school reunion a couple of weeks ago. Rest in peace my old friend.

“ Heartfelt condolences go out to Jan's immediate family while she was a resident at LHV. My conversations with her at Samaritan Place were pretty amazing. She was of my generation having been the youngest resident at Hillside. Sadness indeed..

“ So many fun times at Lake Sara with Jan and the Cabin Crew. Such a sweet soul who always found something to laugh about. So glad you are no longer suffering and have been made whole again.

“ To you, my dear friend, Jan. I will miss you and your silliness and your various laughs that always made me laugh. Our 40 years of friendship have meant the world to me. I hope we will see each other again in Heaven. Meanwhile, be at peace and meet us at the Pearly Gates when the time comes.
