“ My memories of John go way back to our first semester at UL. He was a lovely person and I know a lot of the girls in the pledge class of 1950 are thinking of him today. He was always a gentleman, and very kind. Love and prayers Wesley.

“ Dear Wesley and family. I am sorry I was not able to attend John's service. John was a wonderful Man and I am proud to say he was my friend for many years. At Caterpillar when I ever needed help or financial advice on a project, he always had time for me with good answers. In spare time we would discuss sports. At church John always greeted me with a smile. Except during the (Grudge basketball game in Fellowship Hall with the Doubles Class vs The Home Builders class.). I don't think I have to tell you the out come. It was a lot fun and drew a big crowd. Family, in your grieving period, try to remember all the good things John accomplished. “ Dear Prudhoe Family.

My heart goes out to you in your sudden loss. John was always such a kind and nice man and will be missed. He helped me with my finances after my husband Dean Kelley passed away from a heart attack. I also have many wonderful basketball memories when he played for Caterpillar.

The Memorial service was very nice. I especially noticed the beautiful cover of the program with the basketball.

I wish Wes the very best. We "Cat" wives meet every month for lunch and she was able to join us until this past year. She is very special and was a great encouragement to me when I had breast cancer.

God bless you all.

My love and prayers,

Hilda Kelley Brenkman
