“ I remember the great social gatherings at the Wehrle house. Always great food and great people. You could count on Angela getting out the Virtual Band program and everyone playing an instrument accompanied with singing karaoke. As I remember the family dog looked at me in my singing debut with a look of "Don't give up you day job"

We will all miss you Angela. Keep Heavens door open for the rest of us who are still working on getting to Heaven ourselves. You leave a great legacy with your son Zack. I know he will carry on your zeal to make a difference in the world.

May you Rest in Peace.,

“ *Angela was a strong and resilient woman who loved her family and loved life. She had a contagious laugh and a beautiful smile. Our "history" goes back to Boy Scout Troop 99 when she and Zack lived in Bartlett, IL. We had a lot of fun times together and made some wonderful memories. To Zack and all of Angie's family, our deepest sympathies -- be strong as she was strong, and know that she's no longer in pain! Live the way she modeled her life and you'll be a testament to her faith and her love. She will be truly missed.*
