“ *Kim and family and Larry Wood and family - I worked with Bev (and Bob and Diane) at Caterpillar many years ago. Those days hold some of my happiest memories - we had such fun working together, sharing fun at Christmas parties and just being together every day. Bev was one of the sweetest people I have ever met. I know she is so happy to be back together with her Bob. May your sweet memories help you thru the sad times. I wish you all the best Christmas possible and a blessed 2020.*
