“ Brandon, I am so sorry, love. I remember you as a kind and gentle, easy going student with a quiet sense of humor - and incredible taste in fashion. Not every 3/4 year old has that, my friend. Rest easy in the arms of our Lord. You were loved, you were cherished - you still are and always will be.

“ Tonya and Family,

We pray that you sense Jesus surrounding you as you walk through this season. We loved Brandon and it was such a privilege to watch him grow in faith during his time in youth group. And, it was a sweet time in witnessing and being part of his baptism, as a teenager. Such a precious moment, indeed. Brandon's humble demeanor and his ability to make others feel seen will continue to have a lasting impact. It is evident how much he was and is truly loved.

“ *this one hurt more than I could ever express. You were and are one of a kind no doubt. So caring, thoughtful, and overall an amazing person. You’ve came to my rescue countless of times and I could never find the right way to repay you for that. I’ll forever cherish all our laughs, long talks, random car rides at 10pm, and smoking sessions. I’m so grateful for meeting you, I’ll remember you always, b❤️

“ *RIP Brandon Just know you were loved by alot of people. The APA pool community will miss you too. I loved seeing you learning the game of pool and no matter if you lost or won you always had a smile on your face. I want to thank you for your service at protecting our country. You missed the national pool tournament because you were going to boot camp for the Army. Just know you were a hero to your family and friends. Cheryl Rosen*
