“ *Dear Stephanie & family,
We only knew your dear mother a while when she was with you at Educare, but it was long enough to see her gentle, giving spirit. We are blessed to know that we will be together again in a better world! May your present sadness turn into peace. Give our special love to Logan. The loss of her grandmother must be especially traumatic for her!
Stephanie, you have been so strong through it all. You have been a loyal loving daughter! We are with you in spirit, especially this week!
Love, Pauline & Joe*
