ME

“ Mary,

I am so very sorry for the loss of Cliff your Husband. He was a such a great guy. I met you and Cliff @ the OSF Riverplex. My brother Cliff and I along with my daughter Kayla and sister Jen enjoyed walking around the track with Cliff. Cliff always joked with my daughter Kayla calling her a part-timer because of the schedule she had @ Illinois Cancer Care did not allow her to come everyday. It was never boring, He would joke around with us. My brother Cliff and Cliff Stamm became friends and they were know as Big Cliff (Stamm) and Little Cliff McIntyre. They had a lot in common. They both were Veterans and could relate. I just wanted the family to know that Heaven gained a great guy and now Big Cliff and Little Cliff are in Heaven I am sure making trouble. May God hold you all close during this very difficult time.

*My thoughts and prayers are with you all,

“ I didn't know Cliff well, and only in our high school days. However, I will always remember him as a result of his play in March 1965 regional basketball game against Washington. We were underdogs and lacked height. We were in a very close game and Coach Keller put in Cliff late in the game. As soon as Cliff entered the game he swished a long jumper from the left corner. He added another 5 points in short order and was an important reason we won the game 71-69. Although that game may likely was not that important to him considering his whole life, it meant a lot to me and the team at the time. It's still a great memory to this day.
