“ *I just ran across David's obituary when I was searching for another. I am so sorry for your loss but knowing you as his parents, I know he must have been a real "jewel".*

I have fond memories of our time together in Hawaii at the Kiwanis International convention. Again, my prayers are for you.

“ *Hard for me to pick just *one* memory with David. We had so many good ones. I will forever be in his debt just for the music he turned me on to! All-night movie watching sessions, binging on espresso, playing guitar, going camping in Minnesota, speaker meetings every Saturday night at Hilltop, on and on. Rest easy, Dave. I hope yo have found the peace you were in search of. You were always like a brother to me.*
