“ So many wonderful memories of great times with my best childhood friend! We were in many extracurricular activities together and spent a lot of time on the phone and together outside of school. Lots of laughs through those years. My deepest sympathy to all family members

“ Deb brightened my day every time going up to CT from the lab because I could always hear her voice as I was coming down the hall and she would make me laugh inside. She seemed great to the patients and her fellow mission partners. It is too quiet up there now.

“ I remember summer of 1976 like it was yesterday! New town, new school and 4 amazing, eclectic roommates! We lived above the dialysis unit for St. Francis. Debbie was my roomie on the top floor. Kathy was in bed after a motorcycle accident and Linda was with Denny in and out and Becky was hard to figure out! Debbie had just come from her family farm and was the quietest person I had ever met!! She hit the jackpot of rowdy girls!! After school we lived together in 2 different places until I married in 1982. She became part of our family, traveling to Michigan to my mom's cottage and visiting and loving my kids once they were born! Because of my insane crazy moving life, I lost track but Kathy and Chuck took great care of her! She was so faithful to them and our St. Francis!! I'm sorry I lost touch but have lots of fond memories of the quiet girl from the farm!
