“ *Dear Diane My friend, my stepsister, my partner in crime. I loved you and your beautiful smile. We shared so many good and bad times together. You were always there for me when I needed you. We went our separate ways as adults but you will always remain in my heart. Thank you for being my friend and sister. I know you are at peace in heaven now but I wish you wouldn't have left so soon.*

“ *So hard to believe you're gone...I keep remembering how you said when we got old, we'd be at the nursing home on the porch in our rocking chairs, breaks my heart that won't ever happen. We did so much together, were roommates at least 3xs that I remember, our trips, Digger, the famous "ohrockyouandrockhowearly," and "any other day BUT today," I could go on and on, the memories flood my thoughts and I'll cherish them always! Friends for 47 years, I'll miss you for 47 more! I love you Diane...My deepest condolences to your mom, Michelle & Steve, Cory and Kris, she loved you all so!! #HWS*
