Faye Rolofson, 75, of Creve Coeur, passed away surrounded by her family, on Tuesday, January 4, 2022, at her daughter's home. She was born in Houston, MS on June 14, 1946, to Clyde and Idell (Brantley) Clemons. She married Louis A Rolofson on January 2, 1989, in East Peoria; he preceded her in death on November 21, 2020.

Faye worked as a baker at Bishop's Buffet, then later worked at LeBakery, where she retired in 1998.

“ *Aunt Faye, I am comforted knowing that you are with those that passed before you because I know that is where you will be the happiest! You outlived them all but I know that you were tired and more than ready to go be with them and the Lord.*

*I want to thank you, though, for taking in Jeff and I when Mom couldn't care for us while going through her own medical/health issues at that time. You took us both in without batting an eye because you were our family. That generosity and kindness allowed me and Brandi to form a bond that not only cousins should share, but we were more like sisters, and for that, I am so very grateful! My Mom was able to focus on her health and getting well, because she knew that we were taken care of....being fed and going to school, and had someone looking out for us because she couldn't and I know that she was always grateful to you for that, too!*

*The last time you and I talked for a long time, back in October, you had told me that you were at peace because whatever God's plan was for you, that was His will and you looked to Him for guidance always. So now, I am at peace as well, knowing that you are with Uncle Lou again and Barbara Jo and Mic, Granny and my Mom and Jeff, Aunt Marti and Byron, Aunt Nancy, your brothers, Jimmy and Gene, and Uncle Jim Kincade, too! I am certain that I have forgotten some and I am sorry, but my memory is not what it used to be! But OH WHAT A REUNION THAT WAS IN HEAVEN, I ALREADY KNOW!!!*

*I love you and appreciate everything you did for me growing up! Thank you for being my Aunt! I love you and will miss you!*

*Your niece, Rhonda*
