“ Tom and family

*Gayle was a Mom to all the residents at Timber Ridge. She is now with her good nurse friend, Alice. They will not need to do nursing since their former residents from ACTR are no longer handicapped but running and eating non puréed food. Gayle and Alice will be giving hugs and praises to all in heaven. A fine lady that held my hand through many difficulties. She will be missed by so so many. She came to earth made a difference and is with the Lord now. No more pain of this works.

“ *Gayle always had the best sense of humor and shared that through her wonderful laugh and smile. She will always be in my most pleasant childhood memories when all of the cousins got together over the many years. I pray for comfort and peace in all of Tom and Dykes families and Gayle's many friends, as you will most surely miss sweet Gayle and everything she brought to the family and friends whose paths crossed. God Blessing upon you all.
