“ Susie, & Family

*I am so very sorry to hear of Gisela's passing, but knowing she is in a wonderful place in the arms of Jesus looking down on her daughter for the great care you provided her and getting her out of the Assisted Living and moving this beautiful lady into your home. There is indeed a celebration in heaven and a celebration in our hearts even though we can't be there to put our arms around you.*

*She was such a proud American and so loved our Great United States of America. I so enjoyed her broken accent and our many talks about our "Boy" and when he was coming back? She truly loved that "Boy" and she would always make me laugh. We had such a good time at Jonah's with her and her cousins before moving her to Barrington.*

*Susie, you are one amazing, amazing daughter to your mother, - as 1 Timothy 5:4 says,*

*"But if a widow has children or grandchildren, let them first learn to show godliness to their own household and to make some return to their parents, for this is pleasing in the sight of God"*

*Gisela is so proud and is so at peace and looking down on her great daughter and family.*

*Love you all*
