“ *To the family of Aunt Grace*

This is Marlin Grimes the son of Gertrude Grimes Graces sister. My mother and aunt Grace were close when I was growing up. I remember she would ask me if I remembered when she cut my hair one time before I had band. I remember when we would ride in her car we always had to park in the back of the lot so know one would hit the car and she always had the White round mints in her car. She always had a smile and a wonderful personality. There are so many other things that we both would talk about. They are in our Hearts now and will be there for ever.

Love You Aunt Grace
