“ *I first met PJ on the job where I worked as a highway maintainer for the Illinois DOT. He was quite a guy and a very rabid football fan at all levels of the game. He was a Georgia Bulldog fan his college alma mater, and also a Miami Dolphin fan . He even attended high school football games here in the Champaign-Urbana area as well as University of Illinois football games. He could also watch a lot of football on TV. He also loved to ride his motorcycle on long trips. I have lost a great friend . Some people one works with you want to forget but PJ will never be forgotten by me.*

“ *Pettijohn was a character! We spent 3 years of our lives together at Lakenheath HS in England. What a TIME it was! We had occasionally met up at our past reunions in various parts of the country, the last being in Galveston Texas, Oct 2018 where we had a great time reliving our memories of our HS days and our lives today. RIP P. J.-and may GOD bless you and your family Jackie during this difficult time. Terry McCormick.*

“ I have two years worth of memories I shared with PJ. We were Lancers at Lakenheath American Dependent High School in Lakenheath England.

On our senior class trip we went to Italy. We had to many adventures to share. One of my favorite ones was when we rented scooters. When we were trying to go back to where we were staying (the Pensione Andrati) we couldn't find it. Every road we tried led us back to the coliseum. We finally found a Jandarme (scooter cop) to lead us back but we couldn't keep up with him. When we finally got back, we missed dinner so “when in Rome, do as the Romans do” so we went out for pizza 🤪

PJ was a great guy and will be missed by many! 😍.
