*Jake was a lot to so many, he is missed by so many. He was talented, funny, caring and fun to be around, If you were a friend of Jake's you know it is true. We miss him so much the void will always be there. Jake is now in heaven with this dad. .*

*My daughter Krystal said, If love could have saved him, he would have lived forever. Amen.*

*I am a proud step mom that worked with Jake for years, he lived with me the last year and he made his dad proud, he took care of Northfork like it was his. I told Jake one night on the back porch, Jake if we are both still here on Northfork, and something happens to me, the farm is yours. I loved this kid with all my heart. He died of depression.*
