Such a sad day for those you left behind, but a joyous day for you and all those who left before you. No pain, only peace and joy. We miss you but are so happy for you. I had a hard time accepting you into the family circle but I'm so glad I did. Go Cubs!

“ I Love you Aunt Jeanette, I remember all the times you use to drive to Cleveland to visit. We always had a great time watching planes land at Cleveland Hopkins Airport. Remember when we were at Wallace Lake and Billy got those 2nd degree burns on his shoulders. That scared me. Will always miss your smile, your generosity and your laughter. Patti

I am missing a great sister. Much to remember. She went so far as to match date and time for medical appointments for the two of us so we could "lunch" after. Too many good times to list and I will remember them all. Rest well, sister, until we meet again.
