“ Jenny had a very kind heart! She and I and all our friends saw lots of concerts, we partied, laughed about just everything, etc.! She was so funny! :) I owe a lifelong love of reading, and maybe a little of my sense of humor to her! She was such a nice person. Jenny loved Bob Seager! I asked her why one time, and she said, "because my Dad likes him, and when I hear him, it reminds me of Dad." (Dan will remember me as the very long haired knucklehead that was with Jenny from 1988-1991. I'm so sorry that she has passed on. I think that she lived her life so well though!, And was always loved!

“ *Jeni was my co-worker for the entire time she worked at Illinois Mutual. The last several years she sat right across from me. She was a very dear person and will be missed. I also worked with her mom years ago at Illinois Mutual. My thoughts and prayers are with the family, especially her children who she was so proud of. and now don't have have their mom to share their lives with. We talked alot over the years. Very sad time...Jo Glenn*
