“ *We were very lucky to have Jim with us when he was 9 years old. We have good memories of camping trips, swimming, laughter and smiles of a 9 year old. He loved to write and I have several of his short stories. I had sent a few back years ago. But cleaning out a draw I found a few more. It has been wonderful to re-read these and remember his smiles and the fun he had with our dogs in the swimming pool. Dennis and I sent our love to all of you. Dennis and Scarlett Hatcher*
