“ *To Greg and sister, so sorry for your loss. I remember your mom and dad so well just sitting feet from them during Grace Presbyterian Church services. I loved your mother's warm smile and kind words and her patience in dealing with your father. It's so comforting to know as believers, we'll all be reunited in heaven one day and what a day that will be.*

“ *Greg and Sandy please know you you are in my thoughts and prayers. I remember your dad's gentle manner and how he shared my dads passion for hunting and fishing. Always a smile and a wave when I drove by and one time he gave me an arrow head. Your parents were great neighbors to have all those years. Peace and love to you both.*

“ Sandy and Greg!

I am so sorry for your loss. Thanks for all of the memories we have living across the street from you. I loved his trains and always seeing the camper ready for another fishing trip. My best memory is from a year and a half ago when I had the change to walk hand in hand with him, and look at the Chase's pretty flowers and the gully. We shared smiles and giggles. Your parents will never be forgotten and will always be the Wildenradts hearts! xoxo
