“ *Joyce was a very good friend to my wife and I. She was a good customer to the dealership in which I work. I enjoyed when she would come in to get her Chevy Trax run through the car wash. She would always ride through with me, and would have a few laughs in the 5 to 6 minutes it would take to go through the wash. There is going to be a big empty spot when I don't see her standing in the doorway with her big smile. We will miss you Joyce, God Bless you.*
