“ Dear Stromlund Family, It was with a great sense of loss when we heard of Judith's passing. We wanted to let you know that you have our greatest sympathy, and our hearts are truly saddened. We have been doing our taxes with Judith for so many years that we considered her a close friend. She always made that time of year pleasant with her smile, her sense of humor, and truly caring about us and what had happened to us during the past year and as well we wanted to know what was happening with her. She saw us during our good times and bad, but seeing her always made the day better. She was so professional, knew her job so well that we always felt comfortable with her as our preparer and her company was lucky to have had her. We will be thinking of her and missing her not only at tax time but always. We know that her passing will not only leave a void in our lives, but in the hearts of all those who knew her. We have included Judith & you in our prayers. May God give you strength. Our sincere thoughts & prayers are with you. With our deepest sympathy, Carroll & Lynn Lulay.
