“ *Gil and I had several happy times visiting with Judy and Gary. We went to her favorite pizza place where we all enjoyed the delicious pie. Then we went to the ice cream place and enjoyed some of their delicious ice cream. Spending time talking about the past years when Linda and Gil visited passed the time. The last few visits weren't the same as Judy's health had deteriorated! Unfortunately nothing could be done. We love and miss her! Gil and Chris*

“ Gary I am sending my thoughts and prayers to you and your family at this terrible time of sadness for you all. Judy was such a kind person and always had a smile on her face. Always liked speaking to her even though it has been years since Paul and I have seen you two. Lean on your children. They are such a blessing at this time.
