“ *Tyler and Molly had the best mother ever! I met you Lori when the kids were little at Lincoln and Shute Schools. I also had the privilege to work with you and become your friend. You had an infectious smile and a gift of kindness and laughter. I am so grateful my daughter helped take care of you at OSF. She truly loved you and saw your special qualities as I did. We will always think of you so fondly and grieve for Mike, Tyler, Molly and those adorable grandchildren of yours... Rest in Peace special Lori. I'm glad the pain has stopped.*

“ Had tons of happy memories of my kind and loving Cousin...We had many Holiday celebrations in Cuba, Ill at our Grandmother's house which as I reflect back where more than special. Lori always had a smile and was quick to laugh even if the joke was not very funny. She will be missed by her close family and friends more than we will know because she had that kind of effect on those her knew her well. Rest in pain-free peace Lori!!
