“ I have way to many memories of this kid. Ethan stayed at his house on a school night I got a call from the school the next day saying ethan wasn't there. I called and called their phones and no answer. Went over there as I am still calling, pulled up honked the horn and they both popped their heads out the window and all's I could do was scream **BUSTED TIME FOR SCHOOL FUCKERS!!!**

I'm Ethan's Aunt, Hope Louis & Ethan spent a lot of time at my house, when they were growing up. I loved Louis like he was one of my own. He was an amazing person!!! He brought such love and light into everyone's life...sooo he and Ethan would do chores and stuff at my house in hopes that I would order them food or take them to McDonald's...lol... And I always did of course, with those two smiling at you who can resist. And the way he's always gave me the biggest hugs and said I love you Aunt Hopie.... There is no way to explain what a tragic loss this is for everyone... His smile and laughter will never be forgotten... Rest in God's sweet arms my sweet precious Louise, Aunt Hopie loves you
