“ Knowing Marie and Ed Bishop was to love them dearly. They were such a blessing to our church for many years. I remember a time at a sweethearts banquet and Marie was in her wheel chair and Ed went to her and got down on his knees proposing to her; after he did, he got a great applause from everyone at the banquet. This was only one occasion where this loving couple was a joy to be with. Their family was our family. Love in Christ , Ella & James Dean
