“ *So many beautiful times with Mark. Loved his weekly calls and I will say at times abrupt endings. Loved his discussion of our shows including Will. Loved our dinners with only the best food. Loved his laugh and compassion for his wife, son, and family which he considered me one. There wasn't anything he wouldn't do for someone. So many stories as you well know dear Patti. Loved his fight and strength with this ugly disease and now at peace with his maker. With much sympathy and love. --Mary Stice*
