“ Mike and I were very close in age. So we did a few fun things growing up. One of my favorites , was racing go karts against those McMahill boys!! I ran in the same class as Ronnie. Mike ran in the class with JR. I can't help but Bragg I was pretty much undefeated!!! 🏆🏆 We all had so much fun!! He was always giving me advise and definitely helped me with having no fear!! He's always been there for me and was an awesome brother and a great friend!!!! Love him and will forever miss him!! His sister Marsha

Mike and Bo were friends when I was younger. That's how I met Mike many years ago. He was a good guy as a young man as well as later in life and he had a great personality. I enjoyed watching him race. His son Josh use to come over to the house and listen to my husband's jam sessions. He was so proud of his dad. My condolences to the Chasteen family and Mike's friends.
