“ This has probably been the worst week of my life. It has been heart shattering, life changing, devastating, heart wrenching, sheer utter agony and each day is harder than the previous. Tonight was hard, so damn hard...but despite that, the love in that room was raw, pure, real, profound, and genuine from and for every person there. We felt and saw the pain in one another's faces and eyes and we cried and laughed together for a man we all love so much whose life was cut way to short. Tomorrow we greet more people that loved and lost someone beyond special. Saturday we celebrate a life and a legacy of the one and the only Mike Devos. He would be so mad at us for crying-he loved to laugh and have a good time & perhaps someday we will again with a heart still and forever broken but mended the best it can be. We can hope for that anyhow. Missing him so much already.
