“ I worked with Bud over 40 years ago at Caterpillar. Bud was one of my first mentors at Caterpillar and I have so many things to thank him for in helping me be successful in leadership roles a Caterpillar. Bud was one of those guys that no matter how tough things were. He always found the positive things to focus on in order to make it through those difficult times. I will always remember being on the stats crew with Bud at Bradley University and going to the NIT championship game in New York with Bud and Tony Ferris. What a great time..

My wife Jean and I visited Bud and Carol two years ago on a trip through Peoria. I will always cherish that time together. Blessings to all of Bud's family Carol, Cheryl, and Morrie, and all the many grandkids. Bud will truly be missed by the Sharps.

“ *I know Uncle Bud will be missed and leaves an empty place, which I pray fills with all the great memories. I loved how he and my dad would laugh so hard neither of them could breathe. Such a great man and we are all better for having him in our lives. Sending you all hugs and love. Always- Andrea*
