“ *Grandma you were my bestfriend. I loved those times of us sitting at the kitchen table drinking coffee and talking politics and sports. Also how we agreed on Obama and Jimmy carter the two worse presidents ever. Most the time you would be doing your crossword, sudoku, or reading the through the comic strips. I was usually reading the sports, politics, or looking for an apartment in the news paper. I miss working in the garden with you and am grateful for all you taught me about plants especially greenbeans, Iris, and hollyhocks. The one year I got live with y'all was one of my best years. In that year I was able to see why my Dad is such a good man and like y'all a great parent. Miss you Grandma.*
