“ *Norm, I always smiled as I unlocked the front door of the branch at the start of each day and I looked over to the parking lot to see you getting your truck and trailer ready to go to work for the day. While you won't be in our sight you will always be in our hearts, Rest in Peace.*

“ Norman, you volunteered to marry me in high school for my class and we had carry around our son (egg), Jesse Daniel for that week. You made the cutest little basket and you made him watch sports with all the guys. I remember riding to school in your green Vega. I loved that car. You are still one of the sweetest guys I've ever met. RIP my friend, Stormin' Norman. I wish we had not lost touch.
