“ *Prissy, a wonderful childhood friend. Always caring, kind, loving, always kind words an encourager. Will be Missed. Had her and Lori, sisters Mae an Kay over for a meal and reminiscing of days gone by. It was such a good time and we all agreed let's do this again, and here I sit my heart is hurting because I didn't take the time to have everybody over again. And now it's too late Prissy is gone. Friends, family don't put off until tomorrow do it today, we never know what tomorrow brings. The opportunities we have today let's do them. To all my Mccarthy friends, you were always like family to us Hogate kids. My prayer is that God will give you comfort in your time of loss of your beautiful sister. Hugs to all of you.*

*I will always consider her my sister- in- law and dear friend. She was always so kind and understanding. My son Erick adored her and helped her whenever she called as his Dad always did before we lost him in 2017. May God bless and comfort all her family and her dear friend Sandra.*
