“ *How we love Uncle Ralph and Aunt Elvera! They have both been so kind to us throughout our married lives. Ed has fond memories of childhood cousin gatherings. We were out of the country when this notice was published and are sorry not to have been more prompt in conveying our sympathy. What a wonderful, Christ-like life he lived! We would love to connect with his children.*

“ Gayle, Kevin, Sheila and Alan.
So sorry to hear of your Dad's passing. He was such a good man and very dear friend to my parents. They had many good times together and we, as their children, share many good memories of those times. Thinking of you and praying for all of you at this time of sorrow.

“ I lived next door to Ralph & Elvera on the lake in Decatur in the late 70's & 80's. They were the best neighbors. They always made sun tea & left it sitting out on their deck. I will always remember Ralph saying anything that he needed to get done with the house had to be done by Memorial Day! I guess he didn't want to have to work during the summer:) I moved away in the early 90's, but thought a lot about both of them over the years. My sympathies to Elvera and the family. I know he will be missed.
