

Roger M. Hoffman

January 15, 1954 - June 27, 2021

Roger M. Hoffman, 67, of Germantown Hills, IL, passed away on June 27, 2021 at his home. He was born on January 15, 1954 in Colorado Springs, CO and grew up in Germantown Hills. He was a proud graduate of the Metamora High School class of 1972.

He was preceded in death by his father, Richard Hoffman. He will be lovingly remembered by his mother, Jane Hoffman and sister, Nancie (Donald) Smallberger of East Peoria. He is also survived by his nephews, Anthony (Emily) Seckler and Mark (Barbara) Seckler; and his niece, Brittany Smallberger (David Price). His great nephew and niece, Micah and Alice Seckler, brought lots of smiles and laughter to Roger. He loved spending time with them and showing them all of his musical instruments and antique toys. Roger loved music and was a very talented musician, from writing to composing and singing his songs. He was an avid collector of antiques, especially clocks, model cars, and Beatles memorabilia. These collections provided him with much happiness in the journey of his life. Every Christmas, Roger would gift his family with a personal collection of songs for them to enjoy throughout the coming year. As much as he enjoyed being a musician and antiques, he loved nothing more than his family and spending time with them, especially if it involved a Pottstown burger and homemade sides.

Cremation rites have been accorded. Gary Deiters Funeral Home & Cremation Services is assisting the family.

Memorial contributions may be made to the National Alliance of the Mentally

III (NAMI). Online condolences may be left at www.GaryDeitersFH.com.

“ *I was so sorry to read of Rogers passing. Even though we had not connected for many years, I still have fond memories of getting together with Roger and my brother Andy to play tunes. I still have a couple of Rogers tunes in my repertoire that he taught us many, many years ago. Peace be with you Roger! Love!*

“ *I'm sorry to hear of Rogers passing. He was a kind and sensitive soul. He was a natural musician. He was gifted. An artist. He had a unique sense of humor. He was a good friend and fun to be a around.*

We started a band in grade school called The Candy Daisies. (He named it). Where he got that name is beyond me but that was Roger. He had a spirit of adventure. We would wander in the woods for hours and come out with mud to our knees and Roger loved every minute of it. I have many fond memories of Roger. A quiet, gentle soul. One of the good guys that I'll remember.

I'm sorry for your loss
