“ *My deepest sympathy to the family. My heart goes out to you as you grieve your loss.*

My early memory of Roland is when he gave me advice about an antique rocker that had belonged to my Great Grandmother and generously tied up the old sagging springs for me. That is and was, even then, a lost art. I still have that rocking chair and am still grateful for his help and expertise.

I regret that I won't be able to attend his memorial service. My heart is with you Hope, Chris, and family members. May God be with you all.
