“ Dave, Debbie & family,
So sorry to hear of your loss. Dave, we've been friends since we were kids. Both our families connections through the church. Time has passed, but the memories last; even more so now as I reflect on both your parents. Your mom was the best. She will be greatly missed. Our mothers were such good friends. I'm sure they're seeing each other again sharing the many memories of blessed lives.

“ *David & Debbie,*
I am so sorry for the loss of your mother. My memories of her were in my early years when Craig was alive and then shortly after his death. Our families were brought together through that Chicago Children's Memorial Hospital connection because of David and Craig and their congenital heart conditions. Many a time remembered being at your home. Your mom was always so soft spoken with her southern accent 😊. A kind, gentle woman! Hugs to both of you!
