“ I met Shaun through his daughter Jaden who was friends with my daughter, Elizabeth Dellit. They were friends from kindergarten to highschool and Shaun was the parent who I interacted with. Wonderful father and person. God be with his beautiful daughters.

“ Shaun was always one of my best friends. From working at Topps when we were 16, racing our Camaros all over Maryland Hts. & Bridgeton, going to stay w/ his dad in his final yrs. in Peoria and in Florida, we've always stayed connected. One thing that always amazed me...after over 25 yrs., even though we hadn't seen each other or really even talked much in yrs., I'd always get a happy birthday text from Shaun. I hardly remember my own birthday...lol. But it meant a lot that he'd always remember mine and think enough to send the text. Most of our close group in high school have gone way too soon! And now you too brother! You are already missed my friend. You were of the best friends I've ever had. My condolences to your mom, your brothers, your kids I've never had the chance to meet, and everyone you've touched. RIP.

“ I was 8 years old when I first met Shaun. I might have been a pain in his butt sometimes but he was my hero. I wanted to be with him as much as possible and do everything he did. We would do burnouts in his gold camaro and blast Metallica everywhere we went. I would fall asleep in the backseat without a care in the world. He was the coolest guy I knew and I was so proud to call him my brother. I didn't get a chance to know him as I grew up got married and had kids but I'm absolutely sure he was an amazing man. My prayers are with the family and all who were lucky enough to know Shaun. He will truly be missed and I hope he's fishing with pop in heaven and watching over us all.

Rest In Peace Brother

“ We are honored to have known Shaun, a fine man. We met Shaun through my cousin, Houston Little. Shaun met a lot of my Tennessee family, and quickly became part of our family. Our deepest sympathy goes out to his entire family.
