“ *Dear Brian, Sheryl, Ellen and Sheila (partners and grandchildren),*

We are so saddened with the loss of a dear family member. What a terrific photo you have posted and it shows the Irish spirit in her eyes and smile!

Miles has such gratitude for the assistance in offering him a place to stay when he was going to college. Bill and Sheila had their own family to care for and it was a real testament to her giving and caring nature. It changed Miles outlook on what he could accomplish for his career and it will not be forgotten.

We regret that we did not take her up on the offer to go with her to Ireland years ago when she was traveling there for extended stays. We all believe we can wait for another day and time passes by so quickly. Sheila did not let dust settle on her, thankfully, and made friendships across the globe. She will be missed by not only her children, grandchildren, sister and extended family. With her loss it will be evident how many lives she has touched in her lifetime. God bless and keep you, Sheila forever in his care.

Love, Miles and Wendy

“ *What an incredibly talented teacher Sheila Sullivan was. She completely engaged my daughter. She was so interesting. A cat named Clark Gable. Extended periods living in Turkey. Terrorizing waiters about whether a dish was absolutely vegetarian. And the wonderful photographs she took. All the people who knew her have wonderful memories of her.*
