“ To the Family of Steve,
I worked with Steve for many years before my retirement and beyond work we were friends and I loved him and he became apart of my extended family. During our last conversation this summer at Kartsville was him talking about how much he loved being a grandpa. He will truly be missed but his smile, wit and enthusiasm and laughter will never be forgotten. Rest in Heaven my friend, you were special to me.

“ *My heart goes out to Steve's family. Steve was a high school classmate who made my classes way more fun than they should have been! Pure laughter is what I think of when thinking of Steve. I got the pleasure of reconnecting with him a few years ago hanging out at the East Port Marina pool. He brought pure laughter back into my life! He was a great guy and I will miss him!
