“ Tara,
Just so many things I want to say, so many thoughts and memories. I sent you a text praying this was not true. Praying for a reply. You are going to be missed so much down here. Yet boy is Jessa lucky to have her mommy. Your boys , they have many here but no one is like their mommy. I still don't believe this. Life will never be the same. Rest easy beautiful. You live within each one of us. I just wish this was a bad dream. I love you Tara!
