“ When my sister started dating (and then married) Teri’s son, Teri welcomed Ariel with such an open heart. She was so good to my sister, and I wish I’d been able to tell her how grateful I am for that. May her memory be for a blessing.

Teri was such an amazing woman! Thoughtful, kind, and courageous. Recently I asked how she was and she said that today isn't great but tomorrow will be better. I treasure the years we had together. My utmost condolences go out to her family. She will be dearly missed by those that love her.

My sympathies to all the Warren and Giebelhausen families. I am so sorry for your loss. What a fighter she was! What a wonderful family she raised. She was so proud of her four sons. Having had the honor of teaching all four of her boys, plus her sister-in-law, daughter-in-law, and her niece and nephews, I know just how amazing they all are, and what an example she served of love and courage to all of them. Prayers for all for comfort and peace.
