“ I remember you, myself and Glenn all having a good ol' time in class back in high school. We always were like minded and were good friends back then, but you moved away. Then you came back! Tom was a tag-a-long but that's okay ;) Then over the last 16 years we have become great friends. I can't even begin to tell you how much I miss you! I have went to text you about 47 times and you aren't here anymore. We both knew this day was coming but I don't think ANY of us was ready for it. I have Faith in knowing that I loved you like a sister and I know you felt the same. I'm not going to be selfish and wish you were here though You were suffering and that was horrible to see, so to one of my Best Friends in this entire world FLY HIGH MY FRIEND, NO MORE PAIN NO MORE SUFFERING!!! God be with you and take care of you. I Love You and I will see you again someday.....until then... I Love You... Bye

“ Toni came into my life when I moved here 15 years ago. She became a loyal friend. Someone that took care of me and my animals. Someone to laugh with and cry with. She had a funny sense of humor. She was outspoken just like me. She was a fighter. She loved her family and friends and would talk about them often. She will truly be missed. I am glad the battle is over. But I will miss her. Love always girly, Alicia
