“ Oh Trevor. We miss you so much. My first real memory of you was watching the Duck and Goose Show every Wednesday night. I remember going with Dez several times a week to your apartment at Lee and making snacks and watching tv, and I remember spending every Sunday morning traveling with you guys to church and eating lunch afterwards. I remember watching your love with Dez blossom, and even when I lived far away and we didn't get to talk as often anymore, you both will always have a special place in my heart. And you were so good with Matt, despite all his challenges. Thank you for being you. We'll all miss you, Trevor. We are grieving hard, but we know you're in a better place with no pain and no tears, and we'll be there for Dez and those sweet precious boys of yours in the meantime. ❤️
