“ I am a college student at Bradley University and would come in to Busey every week. I always looked forward to seeing her when I came in, and she always had the biggest smile on her face. I went to the bank today for the first time since early December, as I go back home for my winter break. I found out about the heartbreaking news today and felt the need to find somewhere to write about who Ronnie was to me. I pray for her family and friends. She will be missed, and I hope everyone who knew her knows the light she was when she stood in your presence.

“ I just found out today that Ronnie has passed away. I'm so shocked and saddened. I worked with her at Busey Bank. She was one of the most positive people I've ever known, such a bright light. She will be greatly missed, she was so kind to everyone. My prayers are with you all.

“ I lived across the street from Ronnie and what a beautiful soul she had. Not only was she a strong person who overcame many obstacles in her life, it never changed her attitude in life. She was always so kind, friendly and generous in spirit. I enjoyed my friendship with her. After I moved I would still stop in to see her when I could. She always had a smile and was so accepting of others. She will be greatly missed by so many.

“ I worked with Ronnie at Busey, she had a sense of humor and was always so sweet to work with. I am from the St. Louis area and she was a pure pleasure to work with at Sheridan. She always called me sweetheart and I think she did everyone else.

My sister was a strong woman who survived an abusive marriage and then bravely raised two great children Amanda and Jason as a single parent along with assistance from her long time companion David. An unassuming hero within our lives.
