“ *When I think of Aunt Vonne, I will always remember her for the love she shared, her smiles, and her love for our Lord. She was never concerned with herself, only everyone else. Although we are sad, we know she is now where she has prayed about her whole life. I know when my time has come, she will be pushing her way to the front to greet me... with a big smile and hug. Thank you for the light you shared while on earth! You truly made a difference...*

“ To the family of Yvonne Edgington.
My deepest sympathies on your loss. Yvonne
and I were in the same Medical Office
Assistant course at ICC in 82-83. She was a
very fun person to be around and we had
many great laughs. I lost track of her after graduation but glad to
see she was able to serve Dr. Ward for so many years.

My prayers are with you, her family.
