I was shocked to see her obituary in a local paper. She was a beautiful , sincere and loving lady. I enjoyed working for her and her husband at his law firm. She has a beautiful family. I will always remember her smile and sweet personality.

“ Clay, I know you and Joy did a lot for my Dad. He thought the world of her. The fact that they ran out of flags for the funeral procession says it all.

Take care.

Joy was the first person whom I met after moving from Oregon (state). She was like a sister in so many ways. I have so many fond - beautiful memories of her. She reflected Jesus in everything she did & how she lived her life. She made this world a better place & she will not be forgotten.

“ Joy will be missed by the Kilgore family. She was one of the first ladies that we met from the church when we moved here years ago. She made sure that we had plenty of food to eat while living in a Motel for three months. Joy I sure miss watching you wash out that big blue station wagon with the garden hose.
